Departure of the participants

Road book Rally

Is the highlight of the Ural Meeting. The participants of the Rally will be guided by a road book about 150 km through the northern part of Upper Austria, the Mühlviertel. According to our opinion the Mühlviertel is the best landscape in middle Europe for driving sidecars. We have chosen a route which gives us beautiful im- and expressions of the landscape. On the checkpoints you should gather some points. Of course there will be a lot of off road routes to drive. Partially difficult. But every experienced Ural driver can succeed.

Saturday evening the award ceremony will take place with grill, campfire and life-music.

Life music

Saturday evening we have live improvised folk music
There is also a dance floor.

Ural Fan Shop

During the whole meeting there will be a shop where our complete programme of accessories will be available.

Attendance fee

For every participant we will collect an entry fee of EURO 5,00. The total amount will be forwarded to the cultural association of the castle. Children under 14 years are free. The campground costs EURO 5,00 per person/per night.

The fee for the Road book Rally is EURO 20,00 per person.

We will finance organisation, lunch, refreshments and tolls with this money.
