# URAL cT

The cT is the perfect Ural for sidecar-rookies. It is lower slung and lighter than other Ural models which means it can take corners in its stride. It is fitted with 18-inch-wheels with the best street tires for Ural sidecars, the Heidenau K28 profile. All in all an ideal sidecar for daily use, for weekend rides, or even for shopping at the supermarket. cT, as in "City Touring".

## Colours

Outback Orange (matt)

Black / Grey (matt)

Marine blue (glossy)

# URAL T TWD

The basic Ural. Great price due to the fact that non essentials have been removed whilst keeping the distinctive Ural features. So back to basics; no pillion seat, no spare wheel, no protectors, no windshields and so on, BUT equipped with sidecar wheel drive, reverse gear, and both electric and kick starter.

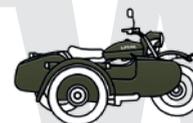

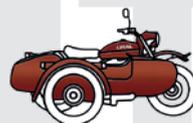

## Colours

Black (matt)

Terracotta (metallic satin)

Hunter Green

# URAL T

Ural T is Ural pure. The Ural T is completely naked. Unrivalled value for money. The ideal starting point for building your very personal Ural icon.

## Colours

Black (glossy)  
Black (matt)

# URAL Sportsman

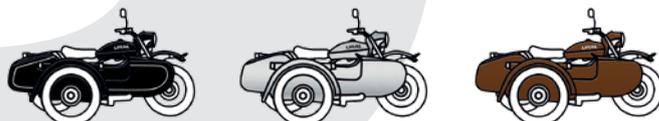

The SPORTSMAN offers extraordinary fun both on and off road. It features a selectable non differential drive to the sidecar wheel allowing uncompromised progress over the worst terrain including gravel, sand and even snow.

Accessories pictured:  
Drivers windscreen, sidecar windscreen, LED head light insert, rollover bar with headrest, seat belts

## Colours

Black with white pin stripes  
Silver Birch  
Game Brown

# URAL Ranger

The version for heavy duty: Selectable non differential sidecar drive, search light, jerry can, shovel, spare wheel and cross-country tires K37 Heidenau! There is no chrome and no sheen; it is available in martial camouflage pattern called as „Camo Sand“, or in a defused and monochrome Asphalt Grey or Olive Green.

The Ural RANGER – perfect for the desert, deep forests and wilderness.

Accessories pictured:  
LED head light insert

## Colours

Asphalt Grey (matt)  
Olive Green (matt)  
Sand (camouflage)

# URAL Customized

Ural offers countless special paint finishes or additional underbody protection ex works.

Ask your Ural dealer what is possible! Long-standing and popular tradition: Ural limited Edition models that show the range of designs available.

For example: Ural Geo, with an extravagant 4 colours Pixel finish and many more extras.

# URAL Cross

The sidecar edition for special purposes:  
Sport or world tour – with or without  
sidecar wheel drive.
